Dear Class of 2014,

It's been quite a journey, hasn't it? To start off as a wide-eyed Kindergartner on the first day of school and end up as young adult ready for the world is an amazing journey. The adventures and experiences that each one of us had are varied, and make the road to graduation and the future unique.

Most of us have known each other for a lifetime. Whether it's Patterson or Delaney or even some other school, we have been together for a long time. Bonds have been formed and friendships established. Even though our friendships are solid, we are always willing to accept others. We have gone out of our way to make others feel welcome. Freya Ulrich, a foreign exchange student, was welcomed in the play by our Thespians. Clubs like Key Club and Spanish Club bring different people together and unite them for common goals. Our commitment to each other is truly extraordinary.

Not only have we made bonds with each other, teachers also shaped us. They influenced our opinions and (hopefully) passed down knowledge that will help us later in life. Some classes were challenging but rewarding. Mr. Grotz, the dual credit history teacher, had a tough course but his desire to teach and his great personality made learning fun. Wherever we go, we should strive to surround ourselves with people like him.

Opportunity is all around us. More classes were offered to us than ever before. Dual Credit, career tech classes, and others expand our opportunities and better prepare us for the life ahead. Social media allows us to stay in touch with each other and even meet people form around the world. Anyone has a chance to meet anyone. Jobs, volunteer work, and extracurricular activities make us grow and learn the responsibility and management skills necessary for the real world. Opportunity knocked and we answered it.

As the door to high school closes, the door to the future opens. Whether it's off to college, a vocational school, a job, or none of the above, we all have a path to follow. It may be difficult and it may separate us, but I know that we will do it. We are the Class of 2014.

Sincerely,
Syed Ajaz - Class of 2014 Valedictorian

As you open each and every new chapter of your life, we will be here supporting you no matter what.
Whatever the situation maybe, always remember to keep others wondering what you're up to by holding your head high and continue smiling.

From crying for 2 weeks in Kindergarten to racing the big boys at the track. From the first time you opened your eyes, you've always had a special smile that fills our heart from top to bottom and overflows with love. We knew one day you would spread your wings and fly, but always remember that no matter where life takes you, no matter what you do... You'll look back and smile at us and we will know, no matter how far you go, you'll always come back to us with your smiling face, you're our precious Kelsie.

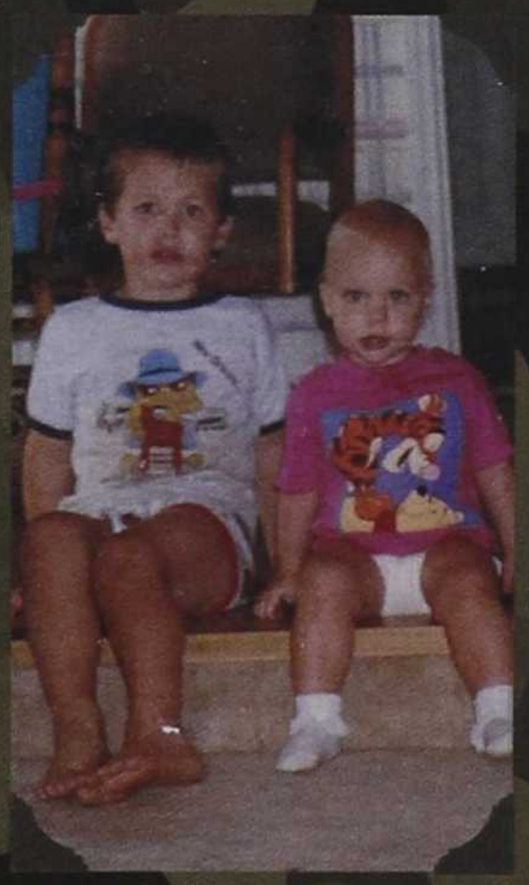
MORGAN CATES

MORGAN, FROM THE AGE OF 2 YEARS OLD, YOU NEVER WENT THE WAY THAT EVERYONE ELSE WENT. YOU HAVE ALWAYS CHOSEN YOUR OWN PATH. WE KNOW AS YOU CONTINUE TO LEARN AND GROW, YOU WILL CONTINUE TO DO IT YOUR WAY. WE ARE SO BLESSED TO BE A PART OF YOUR LIFE.
YOU HAVE BLOSSOMED INTO AN INCREDIBLE YOUNG WOMAN. WE HAVE NO DOUBT THAT WHATEVER PATH YOU DECIDE TO VENTURE DOWN, YOU WILL CONQUER AND SUCCEED. AS LONG AS YOU KEEP YOUR FAITH IN GOD, THE TRAIL IS YOURS TO BLAZE. DON'T EVER LET ANYTHING STAND BETWEEN YOU AND YOUR GOALS.



We Love You, Dad, Mom, Nick, Meredith, Makenna, Meme and Pepaw

Our wish for you

Is that this life becomes all that you want it to
Your dreams stay big, your worries stay small
You never need to carry more than you can hold
We hope you never look back but you never forget
All the ones who love you and the place you left
We hope you always forgive and you never regret
And you help somebody every chance you get
We hope you'd find God's grace in every mistake
And always give more than you take.

Ally,

You never seem to stop surprising me by doing your own thing. From walking at only 9 months old to graduating early - you just can't be stopped once you get something in your head.

I'm so glad you're enjoying your time at Texas State University.

I know you will be successful in whatever you decide to do. You have a passion for many things - theater, music,and life. So keep dreaming and find something that you will love to do.

I love you now, forever, and always.

Love,
Mom

And remeber your family will be here whenever you want to come home.....

Love,

Nana and PawPaw, Aunt Melissa and Uncle Patrick, Ashley, Amberlee, & Uncle Bubba

Always by happy. Never stop praying. Give thanks whatever happens. This is what God wants for you in Christ Jesus

How do I tell the young man that stands where a boy used to be, how much having him in my life means to me? You are my son, my best friend, my life, but when I look at you I will always see my little boy looking back at me. I could say that I love you, but it goes so far beyond love. You are everything to me, the first thing I thank god for each morning, and the last thing I think of each night. Although it hurts to see you leave the nest, I am overjoyed for you to open the next chapeter in your life. Happy graduation my "mil mil". I love you forever and always, and never forget how proud I am of you.

Love mom

You are destined for greatness and Henderson State University is just the beginning.

Dear son,

Seems like yesterday when you were our little tiny boy, sweet as can be and with a million questions to ask.

We realize that time passes with the blink of an eye. We would love to keep you next to us forever, but we know it's time for you to fly with your own wings and we are very happy and proud for the exceptional young man you have become. Life is ahead of you, and we know you will succeed in the journey that awaits you. Follow your passion, never stop, and realize all of your dreams.

We are so proud seeing your hard work in school and relentless dedication to sports.

Fernando, let us remind you that you are our pride and joy. You are loving, caring, confident , with a good sense of humor. You're a great friend, with good values, and the most important thing is that you have a lot of love to share with everyone around you.

Now is only the beginning of your life, and the only thing that we can say is " Work hard and you will be rewarded and no matter what, we will be always be here for you, because we love you with all our heart!!!

Love you, Mom and Daddy

The Kennedale Yearbook staff would like to send a big thank you to everyone that helped make this book possible. Our principal, Mrs. Pintavalle, for her patience and support. Our teaching staff for letting us continually interrupt class to take pictures and interview students. Our students for always being ready for a picture, taking surveys, and going out of their way to help us out. Without you, we wouldn't be able to have this yearbook every year. The 2014 Wildcat Track Yearbook, Volume 64, was printed by Herff Jones located in Fort Worth, Texas. The yearbooks were sold from $50 to $60. For additional $6 each, book covers were personalized with names and logos. The 8.5' X 11" book contains 160 pages and was printed on 100 pound enamel paper. The Wildcat Track was produced digitally using Herff Jones and Adobe Photoshop CS5. The standard type style was AHJ Opus and AHJ Times. GlamourCraft Studios of Fort Worth took all students portraits, athletic team pictures and organization pictures. GlamourCraft also took photos at homecoming and prom. All photographs were digitally captured. Copyright 2014 Wildcat Track. All Rights Reserved. No - part of this publication can be reproduced without the written permission of Kennedale High School.
